## SUBJECTS ■ SUJETS

### Adolescence

- A secondary guy: Physically disabled teenagers in secondary schools. Doubt, L., & McColl, M.A. 70(3): 139-151.

### Aged

- Well-being and older people: A review of the literature. Stanley, M., & Cheek, J. 70(1): 51-59.

### Arthroplasty, replacement

- Pre-arthroplasty rehabilitation is effective in reducing hospital stay. Crowe, J., & Henderson, J. 70(2): 88-96.

### Arthroplasty, replacement, hip

- The efficacy of pre-operative home visits for total hip replacement clients: Rivard, A. Warren, S., Voaklander, D., & Jones, A. 70(4): 226-232.

### Assessment process, occupational therapy

- Compliance with administration procedures of tests for children with pervasive developmental disorders: Does it exist? Stuhlec, V., & Gisel, E.G. 70(1): 33-41.

### Attitudes du consommateur

- L'ergothérapie: un trésor caché. Dickinson, R. 70(3): 136-138.

### Autoefficacité

- Exercer c'est croire. Clark, J., Markey, A., & Labron, B. 70(2): 71-73.

### Change management

- Occupational therapy: A hidden treasure. Dickinson, R. 70(3): 133-135.

### Child development disorders

- Compliance with administration procedures of tests for children with pervasive developmental disorders: Does it exist? Stuhlec, V., & Gisel, E.G. 70(1): 33-41.

### Client-centred practice, occupational therapy

- A framework of strategies for client-centred practice. Restall, G., Ripat, J., & Stern, M. 70(2): 103-112.
- Reflections on power and justice in enabling occupation. Townsend, E. 70(2): 74-87.

### Consumer attitudes

- Occupational therapy: A hidden treasure. Dickinson, R. 70(3): 133-135.

### Développement professionnel

- Regardez par la fenêtre et ouvrez-vous à toutes les possibilités. Manojlovich, M. 70(1): 8-10.

## Education, graduate, occupational therapy

- Changing times: Trials and tribulations of the move to Master's entry-level education in Canada. Lall, A., Klein, J., & Brown, G.T. 70(3): 152-162.

## Education, occupational therapy

- Learning from today's clinicians in vocational practice to educate tomorrow's therapists. Strong, S., Baptiste, S., & Salvatori, P. 70(1): 11-20.

## Enseignement supérieur

- Lorsque l'enseignement supérieur s'intéresse au renouvellement des pratiques en réadaptation: étude de besoins. Durand, M.J., & Falardeau, M. 70(4): 233-242.

## Ergonomics

- Learning from today's clinicians in vocational practice to educate tomorrow's therapists. Strong, S., Baptiste, S., & Salvatori, P. 70(1): 11-20.

## Evidence-based models

- Egan, M. Models and evidence-based practice: You can't have one without the other. Egan, M. 70(5): 261-262.

## Etudes de besoins

- Lorsque l'enseignement supérieur s'intéresse au renouvellement des pratiques en réadaptation: étude de besoins. Durand, M.J., & Falardeau, M. 70(4): 233-242.

## Évaluation de programme

- Évaluation d'un programme de valorisation de fauteuils roulants. Vincent, C., Routhier, F., & Guérette, C. 70(1): 21-32.

## Evaluation research

- The effects of Family-Centred Functional Therapy on the occupational performance of children with cerebral palsy. McGibbon Lammi, B., & Law, M. 70(5): 285-297.

## Fall prevention

- An occupational therapy perspective on falls prevention among community-dwelling older adults. Woodland, J.E., & Hobson, S.J.G. 70(3): 174-182.

## Family centred care

- The effects of Family-Centred Functional Therapy on the occupational performance of children with cerebral palsy. McGibbon Lammi, B., & Law, M. 70(5): 285-297.

## Fauteuils roulants

- Évaluation d'un programme de valorisation de fauteuils roulants. Vincent, C., Routhier, F., & Guérette, C. 70(1): 21-32.

## Fieldwork

- Private practice: Benefits, barriers and strategies of providing fieldwork placements. Sloggett, K., Kim N., & Cameron, D. 70(1): 42-50.

## Formation des enseignants

- La recherche en ergothérapie: développement de la formation des enseignants au Brésil. Guillaumon Emmel, M.L., & Lancman, S. 70(2): 97-102.

## Geriatric occupational therapy

- An occupational therapy perspective on falls prevention among community-dwelling older adults. Woodland, J.E., & Hobson, S.J.G. 70(3): 174-182.

## Gerontologic care

The effectiveness of community-based occupational therapy education and functional training programs for older adults: A critical literature review. Wilkins, S., Jung, B., Wishart, L., Edwards, M., & Gamble Norton, S. 70(4): 214-225.

## Gestion du changement

L'ergothérapie : un trésor caché. Dickinson, R. 70(3) : 136-138.

## Handycrafts

Why Crafts? Influences on the development of occupational therapy in Canada from 1890 to 1930: Friedland, J. 70(4): 204-212.

## Head injury, occupational therapy

An occupational therapy work skills assessment for individuals with head injury. Chappell, I., Higham, J., & McLean, A.M. 70(3): 163-169.

## Health resource utilization

The efficacy of pre-operative home visits for total hip replacement clients: Rivard, A., Warren, S., Voaklander, D., & Jones A. 70 (4): 226-232.

## Historical research

Why Crafts? Influences on the development of occupational therapy in Canada from 1890 to 1930: Friedland, J. 70(4): 204-212.

## Home occupational therapy

The efficacy of pre-operative home visits for total hip replacement clients. Rivard, A., Warren, S., Voaklander, D., & Jones A. 70 (4): 226-232.

## Infant feeding

Knowledge use among occupational therapists for infant feeding assessments. Subramaniam, K., & Reid, D. 70(4): 243-249.

## Literature review

Well-being and older people: A review of the literature. Stanley, M., & Cheek, J. 70(1): 51-59.

Supported employment: Evidence for a best practice model in psychosocial rehabilitation. Moll, S., Huff, J., & Detwiler, L. 70(5): 298-310.

## Maitrise et doctorat en ergothérapie

La recherche en ergothérapie : développement de la formation des enseignants au Brésil. Guillaumon Emmel, M.L., & Lancman, S. 70(2) : 97-102.

## Marketing de l'ergothérapie

L'ergothérapie : un trésor caché. Dickinson, R. 70(3) : 136-138.

Regardez par la fenêtre et ouvrez-vous à toutes les possibilités. Manojlovich, M. 70(1) : 8-10.

## Marketing of occupational therapy

Look out the window and open the door. Manojlovich, M. 70(1): 5-7.

Occupational therapy: A hidden treasure. Dickinson, R. 70(3): 133-135.

## Master's and PhD degrees in occupational therapy

La recherche en ergothérapie : développement de la formation des enseignants au Brésil. Guillaumon Emmel, M. L., & Lancman, S. 70(2): 97-102.

## Mental health services

Supported employment: Evidence for a best practice model in psychosocial rehabilitation: Moll, S., Huff, J., & Detwiler, L. 70(5): 298-310.

## Model, occupational therapy

An occupational therapy perspective on falls prevention among community-dwelling older adults. Woodland, J. E., & Hobson, S. J. G. 70(3): 174-182.

## Models, theoretical

Models and evidence-based practice: You can't have one without the other. Egan M. 70(5): 261-262.

## Modèles, théoriques

Les modèles et la pratique fondée sur les données probantes : l'un ne va pas sans l'autre. Egan M. 70(5) : 263-265.

## Occupation (human)

Occupational value among individuals with long-term mental illness. Eklund, M. Erlandsson, L.K., & Persson, D. 70 (5): 276-284.

## Occupational therapy practice

Seeing beyond the clouds: Best practice occupational therapy. Strong, J. 70 (4): 197-199.

Why Crafts? Influences on the development of occupational therapy in Canada from 1890 to 1930: Friedland, J. 70 (4): 204-212.

## Occupational therapy practice, evidence-based

Models and evidence-based practice: You can't have one without the other. Egan, M. 70(5): 261-262.

The effectiveness of community-based occupational therapy education and functional training programs for older adults: A critical literature review. Wilkins, S., Jung, B., Wishart, L., Edwards, M., & Gamble Norton, S. 70(4): 214-225.

## Occupational therapy practice, research-based

Theory of research utilization enhancement: A model for occupational therapy. Craik, J., & Rappolt, S. 70(5): 266-275.

## Occupational therapy research

La recherche en ergothérapie : développement de la formation des enseignants au Brésil. Guillaumon Emmel, M.L., & Lancman, S. 70(2): 97-102.

## Occupational performance

To practice is to believe. Clark, J., Markey, A., & Labron, B. 70(2): 69-73.

## Outcome assessment

Pre-arthroplasty rehabilitation is effective in reducing hospital stay. Crowe, J., & Henderson, J. 70(2): 88-96.

## Paediatric occupational therapy

Compliance with administration procedures of tests for children with pervasive developmental disorders: Does it exist? Stueck, V., & Gisel, E.G. 70(1): 33-41.

Pressure relief splinting for an infant: A systemic approach. Denys, A. 70(3): 170-173.

Knowledge use among occupational therapists for infant feeding assessments. Subramaniam, K., & Reid, D. 70(4): 243-249.

The effects of Family-Centred Functional Therapy on the occupational performance of children with cerebral palsy. McGibbon Lammi, B., & Law, M. 70(5): 285-297.

## Phenomenological research

A secondary guy: Physically disabled teenagers in secondary schools. Doubt, L., & McColl, M. A. 70(3): 139-151.

**Power**

Reflections on power and justice in enabling occupation.  
Townsend, E. 70(2): 74-87.

**Pratique de l'ergothérapie**

Voir au-delà des nuages: La meilleure pratique en ergothérapie.  
Strong, J. 70(4): 199-202.

**Pratique professionnelle, fondée sur les données probantes**

Voir au-delà des nuages: La meilleure pratique en ergothérapie:  
Strong, J. 70(4): 199-202.

Les modèles et la pratique fondée sur les données probantes: l'un  
ne va pas sans l'autre. Egan, M. 70(5): 263-265.

**Pressure ulcer care**

Pressure relief splinting for an infant: A systemic approach. Denys, A.  
70(3): 170-173.

**Private practice**

Private practice: Benefits, barriers and strategies of providing  
fieldwork placements. Sloggett, K., Kim N., & Cameron, D. 70(1):  
42-50.

**Professional development**

Changing times: Trials and tribulations of the move to Master's  
entry-level education in Canada. Lall, A., Klein, J. & Brown, G. T.  
70(3): 152-162.

Look out the window and open the door. Manojlovich, M. 70(1): 5-7.

**Professional practice**

A framework of strategies for client-centred practice. Restall, G.,  
Ripat, J., & Stern, M. 70(2): 103-112.

**Professional practice, evidence-based**

Seeing beyond the clouds: Best practice occupational therapy.  
Strong, J. 70(4): 197-199.

**Program evaluation**

Évaluation d'un programme de valorisation de fauteuils roulants.  
Vincent, C., Routhier, F., & Guérette, C. 70(1): 21-32.

**Quality of life**

Occupational value among individuals with long-term mental ill-  
ness. Eklund, M., Erlandsson, L. K., & Persson, D. 70 (5): 276-284.

**Qualitative studies**

Knowledge use among occupational therapists for infant feeding  
assessments. Subramaniam, K., & Reid, D. 70(4): 243-249.

**Raconter son histoire**

Exercer c'est croire. Clark, J., Markey, A., & Labron, B. 70(2): 69-73.

**Réadaptation**

Lorsque l'enseignement supérieur s'intéresse au renouvellement  
des pratiques en réadaptation: étude de besoins. Durand,  
M. J., & Falardeau, M. 70(4): 233-242.

**Recyclage**

Évaluation d'un programme de valorisation de fauteuils roulants.  
Vincent, C., Routhier, F., & Guérette, C. 70(1): 21-32.

**Recycling**

Évaluation d'un programme de valorisation de fauteuils roulants.  
Vincent, C., Routhier, F., & Guérette, C. 70(1): 21-32.

**Reflection**

Theory of research utilization enhancement: A model for occupa-  
tional therapy. Craik, J., & Rappolt, S. 70 (5): 266-275.

**Recherche en ergothérapie**

La recherche en ergothérapie: développement de la formation des  
enseignants au Brésil. Guillaumon Emmel, M.L., & Lancman, S.  
70(2): 97-102.

Les modèles et la pratique fondée sur les données probantes: l'un  
ne va pas sans l'autre. Egan, M. 70(5): 263-265.

**Rehabilitation**

Pre-arthroplasty rehabilitation is effective in reducing hospital  
stay. Crowe, J., & Henderson, J. 70(2): 88-96.

**Rehabilitation, community-based**

The effectiveness of community-based occupational therapy edu-  
cation and functional training programs for older adults: A  
critical literature review: Wilkins, S., Jung, B., Wishart, L.,  
Edwards, M., & Gamble Norton, S. 70(4): 214-225.

**Rehabilitation, psychosocial**

Occupational value among individuals with long-term mental ill-  
ness. Eklund, M., Erlandsson, L.K., & Persson, D. 70(5): 276-284.

**Rehabilitation, vocational**

Learning from today's clinicians in vocational practice to educate  
tomorrow's therapists. Strong, S., Baptiste, S., & Salvatori, P.  
70(1): 11-20.

An occupational therapy work skills assessment for individuals with  
head injury. Chappell, I., Higham, J., & McLean, A.M. 70(3): 163-169.

Supported employment: Evidence for a best practice model in  
psychosocial rehabilitation. Moll, S., Huff, J., & Detwiler, L. 70(5):  
298-310.

**Relation entre la théorie et la pratique**

Voir au-delà des nuages: La meilleure pratique en ergothérapie.  
Strong, J. 70(4): 199-202.

**Rendement occupationnel**

Exercer c'est croire. Clark, J., Markey, A., & Labron, B. 70(2): 69-73.

**Relation entre la théorie et la pratique**

Voir au-delà des nuages: La meilleure pratique en ergothérapie.  
Strong, J. 70(4): 199-202.

**Research, occupational therapy**

Models and evidence-based practice: You can't have one without  
the other. Egan, M. 70(5): 261-263.

**Schools, occupational therapy**

A secondary guy: Physically disabled teenagers in secondary  
schools. Doubt, L., & McColl, M. A. 70(3): 139-151.

**Self-efficacy**

To practice is to believe. Clark, J., Markey, A., & Labron, B. 70(2): 69-73.

**Sociology of professions**

Reflections on power and justice in enabling occupation.  
Townsend, E. 70(2): 74-87.

**Splinting**

Pressure relief splinting for an infant: A systemic approach. Denys, A.  
70(3): 170-173.

## Storytelling

To practice is to believe. Clark, J., Markey, A., & Labron, B. 70(2): 69-71.

## Students, occupational therapy

Private practice: Benefits, barriers and strategies of providing field-work placements. Sloggett, K., Kim N., & Cameron, D. 70(1): 42-50.

## Teacher training

La recherche en ergothérapie : développement de la formation des enseignants au Brésil. Guillaumon Emmel, M. L., & Lancman, S. 70(2) : 97-102.

## Tendances, ergothérapie

Regardez par la fenêtre et ouvrez-vous à toutes les possibilités. Manojlovich, M. 70(1) : 8-10.

## Theory-practice relationship

A framework of strategies for client-centred practice. Restall, G., Ripat, J., & Stern, M. 70(2): 103-112.

Seeing beyond the clouds: Best practice occupational therapy. Strong, J. 70(4): 197-199.

Theory of research utilization enhancement: A model for occupational therapy. Craik, J., & Rappolt, S. 70(5): 266-275.

## Trends, occupational therapy

Look out the window and open the door Manojlovich, M. 70(1): 5-7.

Changing times: Trials and tribulations of the move to Master's entry-level education in Canada. Lall, A., Klein, J., & Brown, G.T. 70(3): 152-162.
